Oregon Coalition for Quality Teaching and Learning

•Beliefs and Call to Action

“There are many things that can and should be done to transform education, but nothing is more important than better preparing and supporting the professional educators who interact with students on a day-to-day basis.”

Partnering for Student Success—
The Cradle to Career Framework

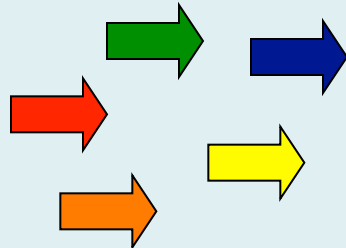

2010
Report
TO THE COMMUNITY

Current Noble Efforts

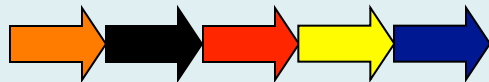

A lot of schools, nonprofits, governmental agencies want to help children

Alignment

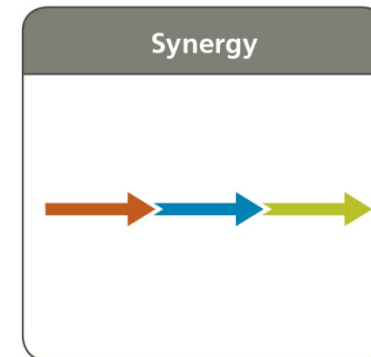

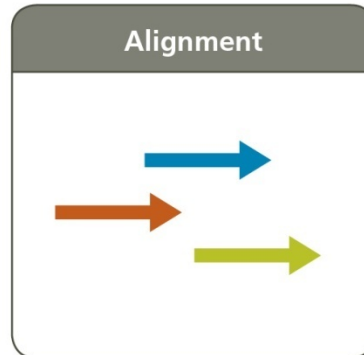

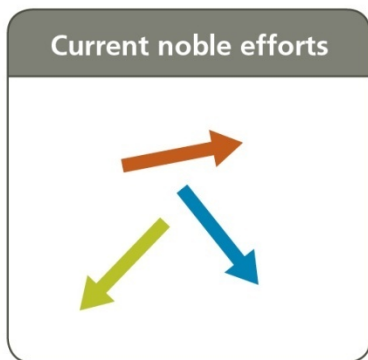

Using metrics tied to the 5 guiding goals of SUCCESS helps everyone to travel on the same path

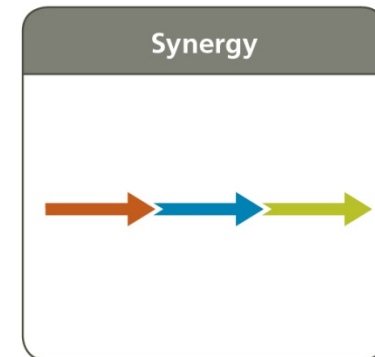

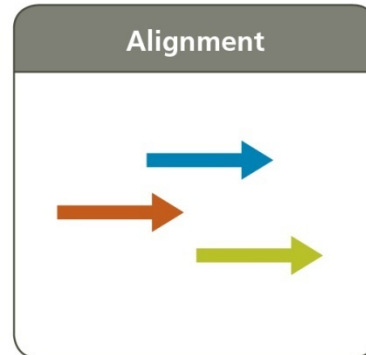

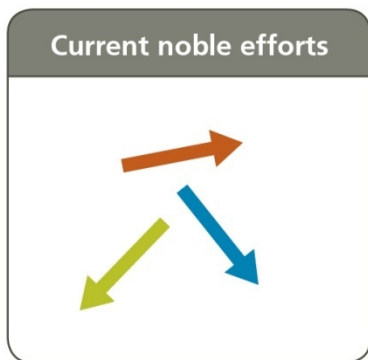

Synergy

Evidence based data from PSU enables organizations to replicate success, fill gaps, and use community resources more wisely

Aligning efforts throughout the community to enhance student success in PK12 school and in higher education.

Aligning efforts to better prepare and support professional educators in the Metro area.

Portland Metro Education Partnership

Mission

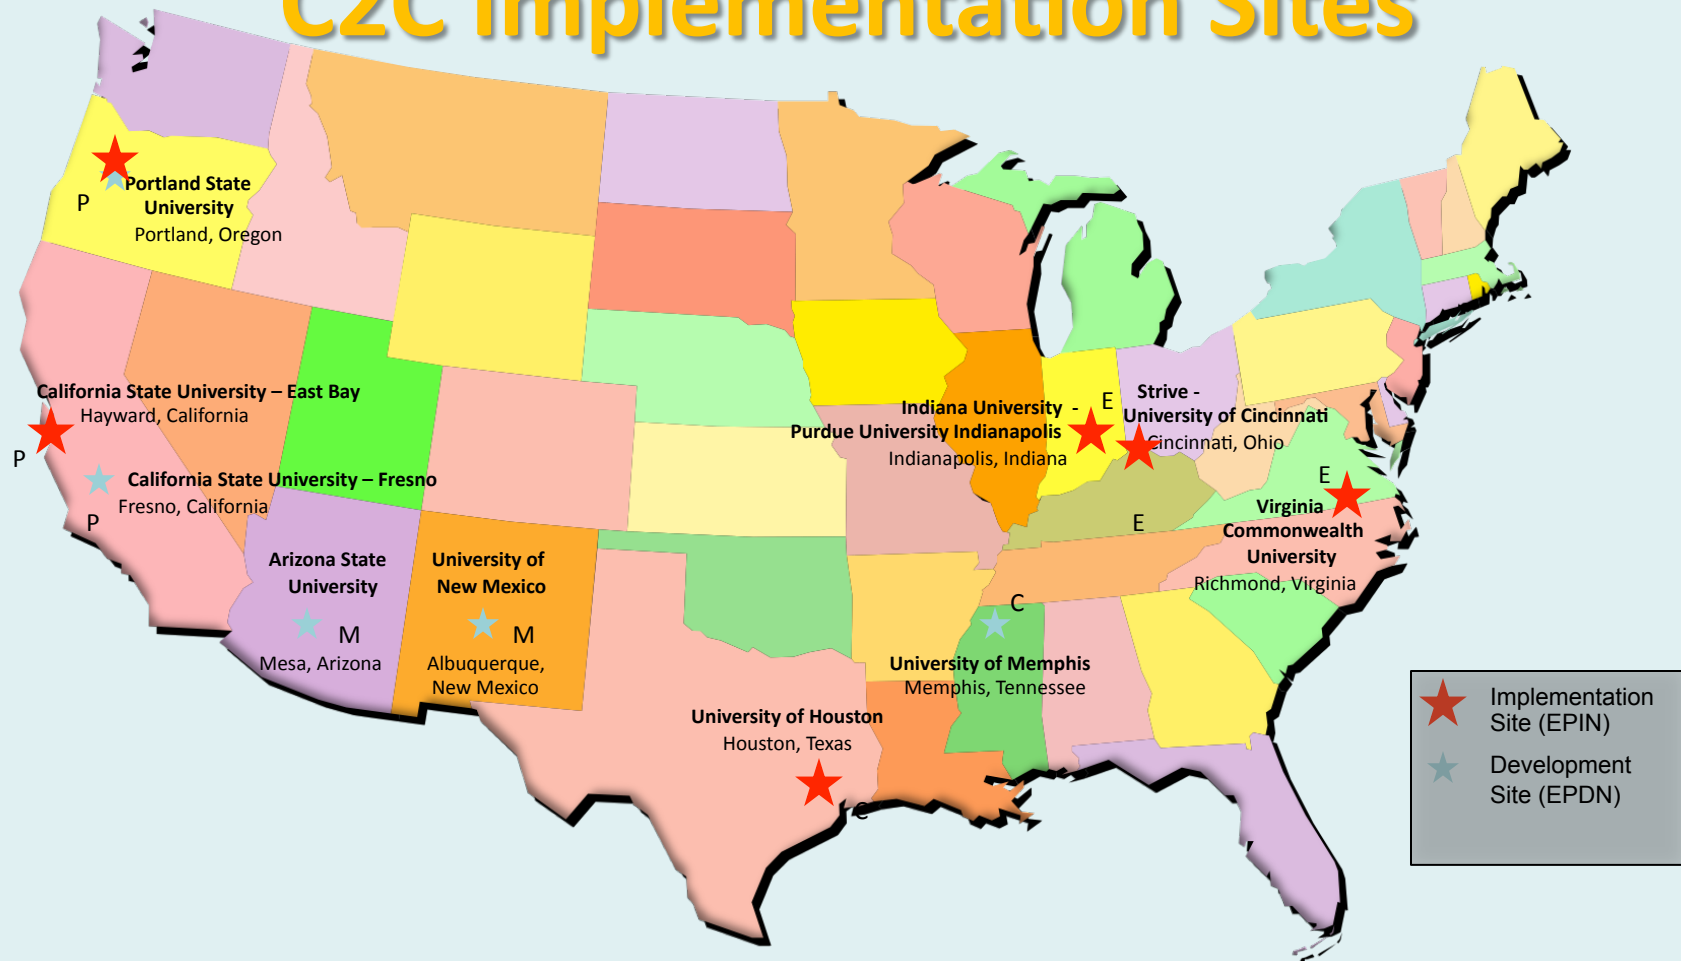

Improve student learning through more effective collaboration between k-12 public schools and schools of education.

Members

Ten school districts

Ten universities
